the practice of chiropractors. However, I think you ought to keep in mind that they have been doing this practice for a long time, that they have been doing some of these things which now you are excluding and they will have to stop doing. But I think they have been doing a good job at what they do do, and I urge that you support LB 142.

PRESIDENT: The Chair would remind the members that we are a little bit behind our Speaker's schedule for the day for hearing the Governor, and unless there is objection, I think we will pass...stop debate now. There are several others that wish to speak and I think they want to speak on the issue.
